

Statement by the Islamic College for the Project Abraham Website

The Islamic College is very pleased to have been chosen to host the Project Abraham exhibition in 2008. It is a great privilege for us to have been trusted with the displays on Judaism, Christianity and Islam. The different artefacts can be admired in our new school library at 22 Cedar Avenue, West Croydon. We expect many individual visitors and school groups to come and see the exhibition, which will be officially launched next year. Please ring Sarah or Bronwyn at reception to arrange a visiting time on 83407799.

We place great importance on being actively involved in dialogue with followers of other faiths. Our students have buddy classes in other schools and participate in intercultural and interfaith activities throughout the year. We want to unite with everyone who, like us, believes in one God.

I would like to thank Katherine Goode and Minette Machet for organising this move and Khalid Yousef and our year 9 boys for setting up the exhibition in our library.

I look forward to seeing you at our college. May peace be with you.
